(c) The process of investment having already begun in the above mentioned modernisation schemes, it is likely to be completed by 1995-96.

(d) The envisaged increase over the present level of steel production after modernisation/expansion is likely to be of the order of about 6 million tonnes.

High Power Committee to monitor infrastructural facilities for group housing societies

487. SHRI HARVENDRA SINGH HANSPAL :

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether the Delhi Administration had constituted a High Power Committee to monitor infrastructural facilities for cooperative group housing societies in the capital;

(b) if so, the composition thereof; and

(c) in what manner the committee is likely to function and the cooperative group housing societies are likely to get adequate help?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH) : (a) Yes, Sir.

(b) The composition of the High level Co-ordination Committee and its terms of reference are given in the enclosed statement (*See* below).

(c) The Committee will expedite the provision of infrastructural facilities like water supply, sewage disposal, electric sub-station, roads, community facilities etc. in the Co-operative Group Housing Complexes by ensuring short term and long term measures which will enable the members of the cooperative group housing societies to occupy flats in time. The committee will also help in ensuring regular and timely finances for the societies and also simplify procedures to cut down delays in the implementation of various schemes leading to provision of infrastructural facilities.
